

**FOR IMMEDIATE RELEASE****THOMAS GROUP NAMES NEW  
SENIOR VICE PRESIDENT OF PRIVATE EQUITY**

**Irving, Texas—May 9, 2007**—Thomas Group, Inc., (NasdaqGM: TGIS), a leading operations and process improvement firm has named Mark Ozenick as Senior Vice President, Private Equity business. In this role, Ozenick will be responsible for business development and account management to the U.S. private equity market. Most recently Ozenick served as chief operating officer of Elite Aviation LLC in Van Nuys, California. Prior to Elite Aviation, he was founder, president and CEO of HeliFlite Shares, LLC, a leading provider of large cabin, all weather helicopter transportation services.

Additionally, Ozenick has held executive management positions with American Eurocopter, Dyncorp International, Lucas Industries PLC, and LTV Aerospace and Defense. Ozenick brings 30 years of experience in the aviation flight services and aerospace manufacturing industries with expertise in start-up, mergers/acquisitions, and turnaround operations. He will report to Terry Stinson, President, Commercial Operations.

“Mark brings an accomplished and multi-disciplined background in general management, sales and marketing, and knowledge of the private equity sector to Thomas Group,” commented Terry Stinson, Thomas Group President, Commercial Operations.

“Transactions in the private equity market in the United States will continue to show significant growth. The increasing number of acquisitions and consolidations within a broad range of industry sectors provides opportunity for those firms to gain full advantage of the proven process enhancement tools developed by Thomas Group that will improve their enterprise’s profitability, cash flow, quality, customer satisfaction, and, most importantly, to private equity groups, an increased return on their investment,” stated Ozenick.

Ozenick is a graduate of The American University, Washington, D.C., holds an Airman’s Certificate (private pilot, SEL), is Chairman Emeritus of The Montessori Academy (a private school in North Texas), and is a member of various industry associations including the National Business Aviation Association and NATA.
