Thomas Group Announces *Knowledge Leadership at Thomas Group Quarterly (KL@TG)*, Summer Issue

IRVING, TEXAS — May 24, 2007 — Thomas Group, Inc. (NasdaqGM: TGIS), a leading operations and process improvement firm, today announced the release of its *Knowledge Leadership at Thomas Group Quarterly (KL@TG)*, Summer Issue. *KL@TG*, a proprietary publication, includes interviews from a cross-section of practice leaders, notable executives, authors, professors, business and military leaders. These experts provide insight and best process practices to help organizations see themselves as a connected enterprise achieve process efficiencies, increase quality and performance, bring speed into new product innovation, and other business results.

This thought leadership publication integrates the intellectual capital of some of the top business strategists and implementers that present collaborative insights and fresh perspectives on the trends and issues that affect businesses and shape the outlook of their industries. The theme of this issue is "Driving Change Throughout the Enterprise" and contains interviews of a business and personal nature that we hope will change the way you think and act.

In 2006, Thomas Group published the Inaugural Issue of the *KL@TG* that contained 15 interviews of recognized leaders. The theme of our Inaugural publication centered on how we view and adapt to change in a competitive world and contained topics ranging from strategic execution to strategic enterprise and from critical healthcare issues to fatal business mistakes.

"*KL@TG* is a strategic and tactical initiative which gives our clients and the international business community access to knowledge and experiences essential to identifying and solving critical business issues. Knowledge is a continuous and evolving process — converting data into information, information into knowledge, knowledge into know-how, and know-how into results," commented Jim Taylor, CEO and president of Thomas Group

For copies of *KL@TG*, please contact Thomas Group at info@thomasgroup.com or visit our Website to view the electronic version of the Quarterly.
