Thomas Group Announces New Contract With City of Garland, Texas

Irving, Texas, February 4, 2004 Thomas Group, Inc. (TGIS.OB) Today, Thomas Group Inc. announces that the City of Garland, Texas has selected them to complete a Comprehensive Study of their Land Development Review Process. Specifically, Thomas Group Inc. will apply its highly successful Process Value Management™ methodology to support the City of Garland, Texas in its objective of improving this process.

This project allows Thomas Group to apply its commercial experience to the government sector. The program commenced on January 26, 2004.

"The City of Garland wants to better serve both our citizens and the development community," says Martin Glenn, Garland Deputy City Manager. "The Thomas Group will help us evaluate our processes related to development. We will be able to develop more efficient methods for the benefit of the City and our business partners."

About Thomas Group

Founded in 1978 and headquartered in Irving, Texas (Dallas/Fort Worth Metroplex), Thomas Group, Inc. is an international, publicly traded professional services firm (TGIS.OB). Thomas Group focuses on improving enterprise wide operations, competitiveness and financial performance of major corporate clients through a proprietary methodology known as Process Value Management™ (PVM).
