**Thomas Group Publishes Winter Issue of  
*Knowledge Leadership @ Thomas Group (KL@TG)***

**IRVING, TEXAS — November 8, 2007** — Thomas Group, Inc. (NasdaqGM: TGIS), a leading operations and process improvement firm, today announced the release of its *Knowledge Leadership at Thomas Group (KL@TG)*, Winter Issue. This is the third in a series of thought leadership magazines from Thomas Group that integrates the intellectual capital of some of the top business strategists and implementers. The theme of this issue is “*Leading Transformation While Achieving Desired Results.*” *KL@TG* Winter edition includes 22 interviews from a cross-section of notable executives, authors, professors, business, and military leaders. Leaders such as:

- Victor Fung, Chairman of Li and Fung
- Warren Bennis, Distinguished Professor of Business at the University of Southern California
- William George, former CEO and Chairman of Medtronics
- Jack Stahl, former CEO of both Coca Cola and Revlon, and
- Vice Admiral Jim Zortman, USN (Ret.)

The experts interviewed provide know-how, insight and best process practices to help executives and their organizations drive quality and performance, while introducing ideas which bring speed to their transformation and innovation, and other business results.

“Our *KL@TG* initiative provides innovative ways of thinking about business management to the private, public, and nonprofit sectors,” commented Jim Taylor, CEO and president of Thomas Group. “We’re committed to providing breakthrough process performance that improves efficiency, productivity, and competitive advantage and are delighted with the latest breakthrough thinking that these knowledge leaders share in the Winter 2007 issue of *KL@TG*.” To receive a complimentary copy of *KL@TG*, please contact Thomas Group at [info@thomasgroup.com](mailto:info@thomasgroup.com).
